These are
the actions of a lewd
and immoral man.

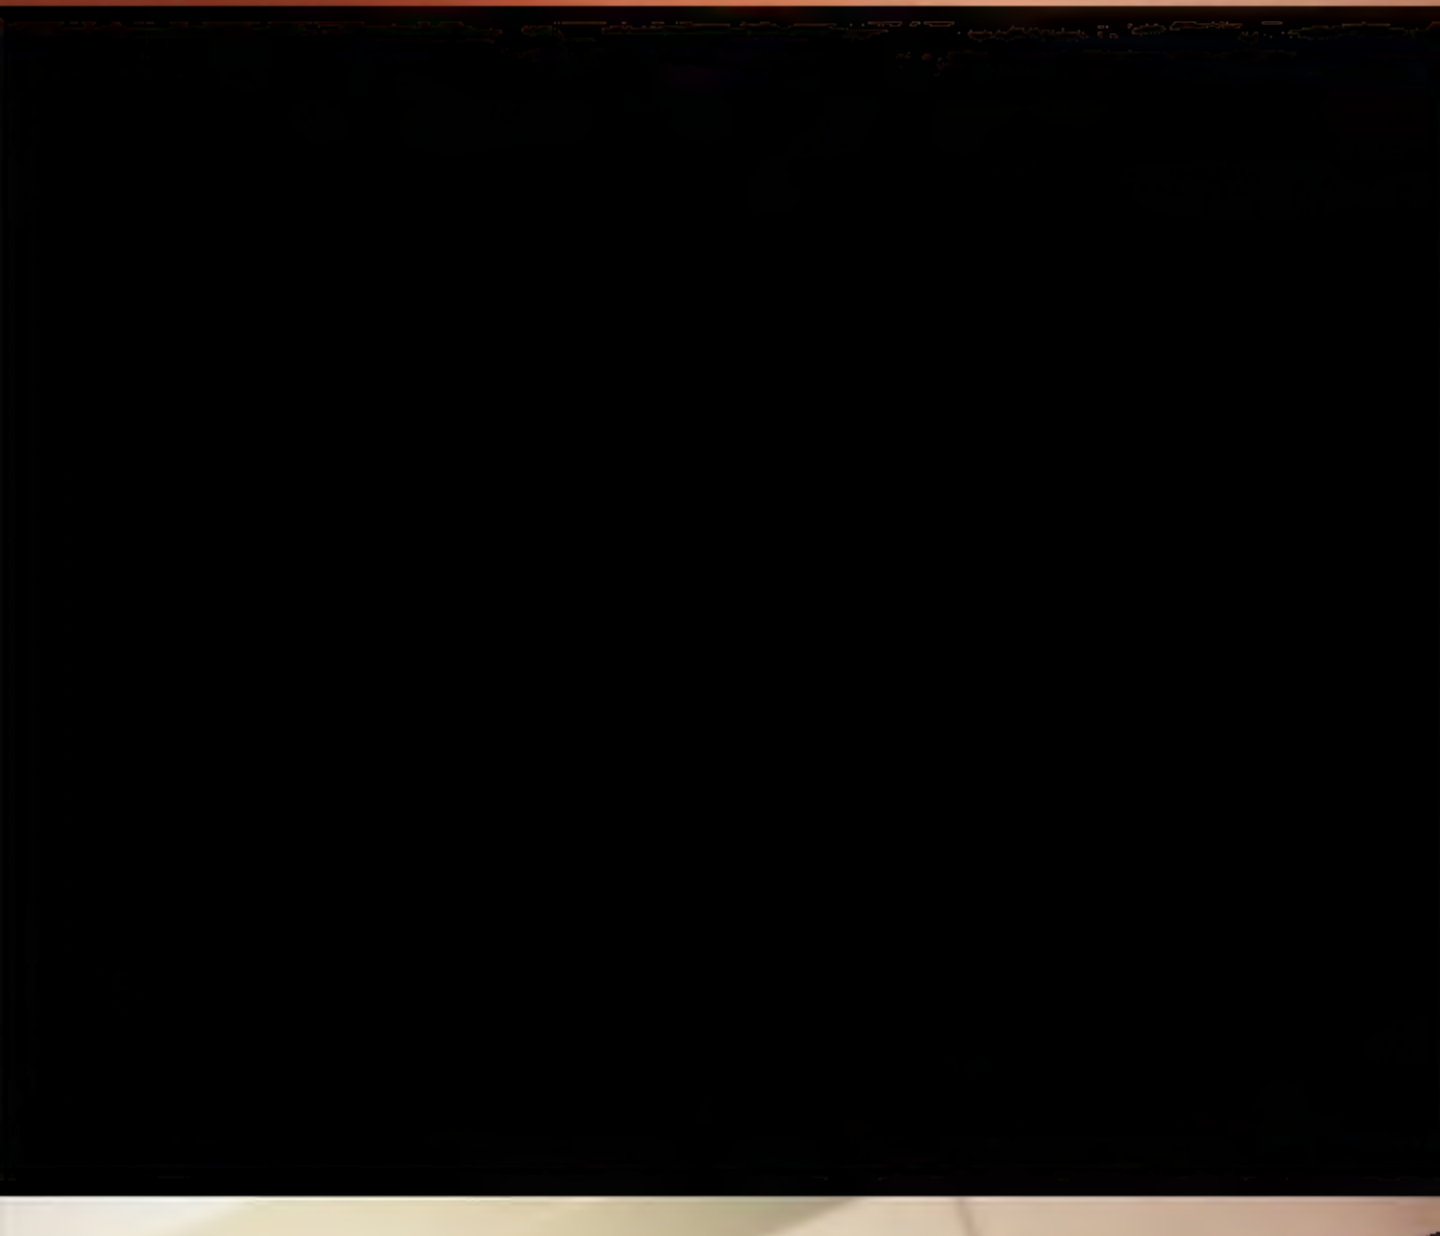

But after you've
done something
immoral...

I started thinking,
"Why is this immoral?"

How can it be
considered "immoral" when
you're just having a
good time?

It's always
scary and discouraging
to take the first step.

Once you understand it,
you realize it's a perfectly
normal thing to do.

And this feeling
I get when I cross
this moral line....

It sends an inexplicable
thrill through my body

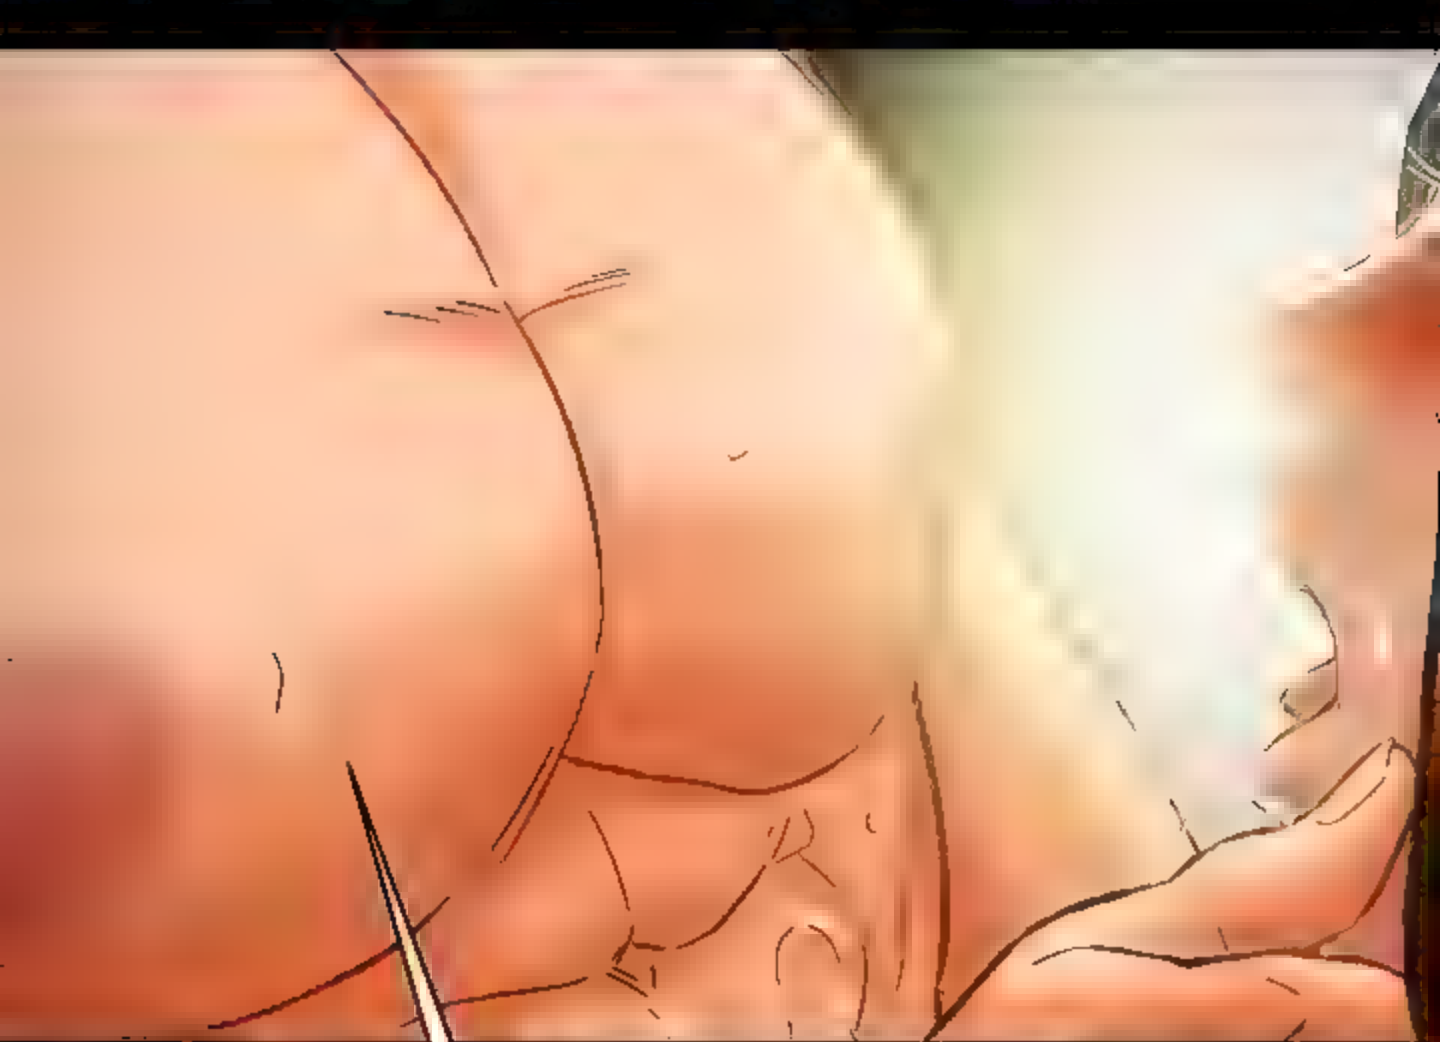

WHY DID
YOU STOP

But she is very serious about touching my body to turn me on.

Every now and then she does it too hard, but I'll talk to her about teaching her the art of sex.

If I ask too much at first, she might not like it.

So... I will let her
take her time and
enjoy the process.
